Dimensions 70 litres: 510x500x980 mm.

Dimensions 140 litres: 660x500x1,000 mm.

2 "ELISEO", WITH LID AND ASHTRAY

A 45 litre capacity elliptical litter bin, provided with fixed lid.

The bottom and lid, appropriately roller levelled, are in sheet steel 30/10 mm thick.

The lid and bottom are held in position by two lateral oval hollow posts in steel 60x30 mm which also act as supports. The bin posts are fastened to the ground by means of a steel terminal flange.

The two perforated Sendzimir galvanised sheet steel panels, 10/10 of a mm thick are roller levelled, polished and provided with the stiffening ribs required: one of the two panels opens and is provided with a lock.

N.B. Also available in stainless steel. See page 84.
