

A-11 Add On Support

The A-11 bicycle stands with add on support in a galvanised steel finish offers multipoint locking for high security. The A-11 bicycle stands with add on supports have a space saver designs, giving a great economical solution where mass parking is a requirement.

Manufactured from robust angle iron, the A-11 alternates wheel positioning high and low makes parking easier.

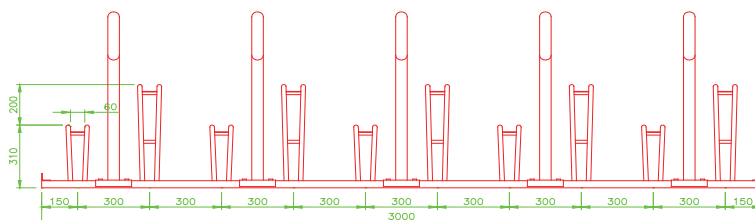

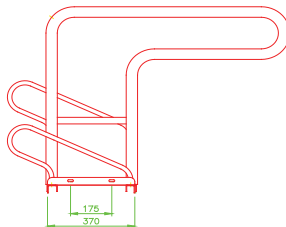

The A-11 MB design allows for parking of mountain bicycle wheels and smaller wheel types.
