

Bowler Bollard

The Bowler bollard is based on the traditional cannon design used extensively through out the Ireland and Europe.

This versatile bollard is available in a wide range of versions, stainless steel, galvanized only or galvanized and powder coated in choice of 192 standard RAL colours.

The bollard is available in a fixed version for setting into concrete, with a base plate to surface fix or as a removable bollard.

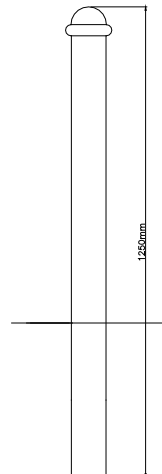

If required brackets can be added to the bollard so chain linking can be used.
