

Elbow Support Bicycle Stands

The Elbow series provides stable support for a parked bicycle. The design means that part of the bicycle rests against the support.

The Elbow is available in a single- and double-sided version. This series is made of round 47.5 mm tubing.

Height from floor is 484 mm. Tube size (\varnothing 48.3x2 mm).

This series is made of galvanised steel or stainless steel.

Product Details
