

Level

- The Level is a very innovative and user friendly bicycle parking system. It can house twice as many bicycles in the same area as any standard bicycle rack. Benefits of the Level bicycle parking system include:
- Easy to use upper tier using stainless steel bearings
 - Bicycle is held stable in the wheel channels
 - Accommodates all cycle types
 - Bicycles can be chained for security
 - Lower rack has a sloping wheel channel, so the user does not have to bend between the levels.

Minimum height required 2650 mm
4 unit Height 1585 mm Width 950 mm
