

## Quarter Combi Bicycle Shelter

The Falco Quarter is one of our newest and most versatile bicycle shelters. The Quarter name is derived from the design shape and provides great simplicity in both form and function.

With the addition of a walkway cover and optional gates front and rear, the Falco Quarter can easily be made into a very versatile storage compound. Again with up to 5m variants, it is possible to create enclosed spaces of any size.

### CUSTOM SOLUTIONS

We offer custom design solutions to meet your every needs
